Monday A.M. 16th Novr 72.

Dear Son William

these Informe you that we are all well Save your Brother John who is now Sick with the measels began to break out yesterday is not very bad hope it will be Light, is nursed by your Sisters who I Expect will have the Same, Latter End next week he is kept in the Sandy room your mother does not See him & hope will Escape it, — we are to have a Society Meeting tomorrow to See if the Society will Calle out the Comittee if they refuse then the Petitioners designe to Calle them out to meet here next week —

herewith Send you p Badcock 4. dollers Loose, which is all the mony I have now you must husband that with what you have already So as to bring you home next month, we Shall Expect to See you as saturday 13th next month, — wishing health & peace from

your Affecanate Father J. Robinson
